\*\* Items not required for Little Dippers

The costs are approx the same as last year. Previously shoes and tights were ordered on your own. We have included them to make ordering easier and shoes look the same  
Our idea the the "TEAM" uniform is that every dancer has the same one, giving us the opportunity for combined performance. We also plan to keep at least two years, saves money  
Same with the poms. Changing your warm up is optional. We have had the same one for about 12 years. Gradually working in a change.
